NADC Bursary Partnerships Program

The NADC Bursary Partnerships Program is intended to attract graduates to live and work in northern Alberta. Bursary recipients must live and work in northern Alberta within six months of graduation. **Every student selected to receive a NADC Partnerships Bursary must sign a return service contract.** The contract commits the student to live and work in Northern Alberta:

1. In their field of study
2. For a specified amount of time upon graduation, based upon the total value of the bursary.

One month of return service is required for each \$500 of total bursary support. For example: A combined \$3,000 bursary has a return service commitment of 6 months. Alberta Advanced Education and Technology will send the student a contract to commit to live and work anywhere in northern Alberta upon graduation. The NADC will follow up with students to monitor completion of return service. **If students do not fulfill their return service, Advanced Education and Technology will require repayment of the Bursary Partnerships Program portion.**

Do you wish to be considered for matching funds under the NADC Bursary Partnership Program?

Yes No

Students should be aware that...

Approval by Lesser Slave Forest Education Society does not ensure approval by the NADC for the matching funds.

Student applications will be reviewed by the NADC based on the following criteria:

- Students must be a resident of Alberta for one year
- Students must be enrolled full-time in a post-secondary program designated by Advanced Education and Technology
- Students must not be in default of a provincial student loan
- Students must be at arm's length to the sponsor (not related and also selected through impartial means)
- Students must have reasonably good prospects for employment in northern Alberta upon graduation
- Students cannot receive both the NADC Bursary and the Partnerships Bursary during the same school year
- Students can receive more than one Partnerships Bursary; however, the total matching funds from NADC cannot exceed \$3,000 in the same academic year.

**If you are applying for the scholarship and NADC matching funds, answer ALL questions
If you are applying for the scholarship only, you need only fill out sections 1-3 & 6.**

Application deadline is May 15, 2019
