

# Professional Development Workshops

Are you interested in enhancing your science curriculum? Do you want to learn more about a specific curriculum topic or do you just want to learn a new way to present the material?

The Lesser Slave Forest Education Society can offer workshops on the science curriculum for grades K-12. Some of the topics include:

- Insects
- Animal Lifecycles
- Rocks and Minerals
- Plant Growth and Changes
- Wetland Ecosystems
- Trees and Forests
- Plants for Food and Fiber
- Biological Diversity
- Forestry Careers
