

# Lesser Slave Forest Education Society School Programs

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

# Grades K-12

Dear Educators,

We are a non-profit organization committed to “forest focused environmental education”. We offer curriculum related programs through interactive fieldtrips and classroom presentations to schools and community groups. We also create programs specifically for teacher workshops or your individual class needs. Please take a moment and browse through this brochure to see if we can assist you in any way!

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

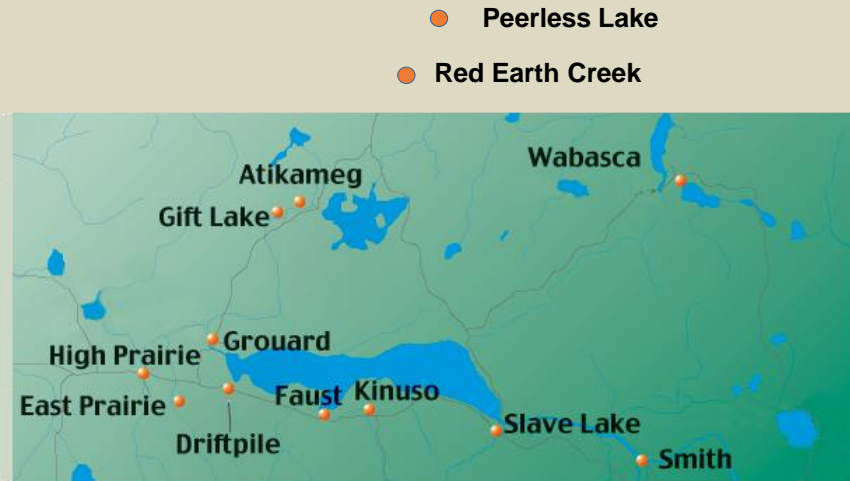

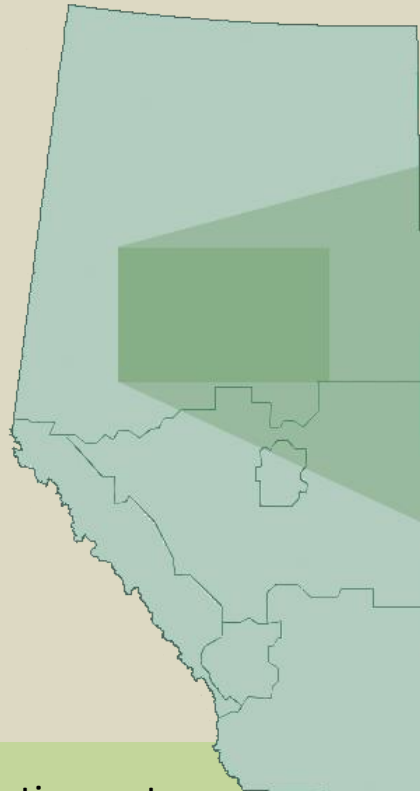

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Our Region

The Lesser Slave Forest Education Society has an extensive region and can provide programming outside their boundaries through special requests.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

# Grade K-3 Wildlife Discovery

## **Classroom presentation- Indoor exhibit**

Wildlife Discovery is a high-quality, hands-on, interactive program focusing on wildlife of the boreal forest and their habitat needs.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Kindergarten-Environment and Community Awareness

## Forest Education Fieldtrip

This fieldtrip gives Kindergarten students an opportunity to use their senses to explore and investigate the wonders of the boreal forest.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 1- Needs of Plants and Animals

## Forest Education Fieldtrip

Grade 1's have fun on this fieldtrip exploring the wildlife and plants living in the boreal forest.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 1- Seasonal Changes

## Forest Education Fieldtrip

Grade 1 students examine seasonal changes in the boreal forest.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 2- Small Crawling and Flying Animals

### Forest Education Fieldtrip

Grade 2's have fun while exploring for forest insects and discovering cool facts about bats.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 3- Animal Lifecycles

### Two programs on Animal Lifecycles

1. Classroom presentation on Animal Lifecycles.
2. Fieldtrip to a marsh to study aquatic insect lifecycles and a boreal forest hike to learn about mammal lifecycles.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 3- Rocks and Minerals

### Forest Education Fieldtrip

Grade 3's discover the different types of soil, rocks and minerals that are found in the boreal forest.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 4- Waste and Our World

### Forest Education Fieldtrip

Grade 4 students go on a fieldtrip that focuses on decomposition in the forest and nature's recyclers.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 4- Plant Growth and Changes

## Forest Education Fieldtrip

Grade 4 students become scientists and collect data on soils, plants and animals in a forest ecosystem.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 4- Geography and Its people

## Classroom presentation

This program for Grade 4 focuses on Alberta's forest regions, forest industry and jobs in our community.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 5- Wetland Ecosystems

### Two programs on Wetlands

1. Classroom presentation on wetlands
2. Fieldtrip to compare two different wetland ecosystems, a spruce bog and a marsh.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 6- Trees & Forests

### Four programs on Trees and Forests

1. Classroom presentation on tree identification.
2. Classroom presentation on forest management.
3. Ecology fieldtrip to discover biodiversity in the boreal forest.
4. Forestry school tours on forestry operations.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 7- Interactions and Ecosystems

## Forest Education Fieldtrip

Grade 7 students explore various forest ecosystems with a focus on biotic and abiotic interactions.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 7- Plants for Food and Fibre

## Classroom Presentation

This Grade 7 program focuses on how forestry manages the boreal forest to keep it sustainable for future generations.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 8- Freshwater Ecosystems

### Forest Education Fieldtrip

Students will go to a marsh to investigate invertebrates and other wildlife dependent on freshwater ecosystems.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 9- Biological Diversity

### Two programs on Biodiversity

1. Classroom presentation on biodiversity in the boreal forest.
2. Fieldtrip to visit a variety of forest ecosystems and compare biodiversity factors between each ecosystem.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 10- Energy Flow in Global Systems

### Classroom presentation

This indoor program focuses on the factors that shape the boreal biome and the influence of climate on boreal plants and wildlife.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

# Biology 20/Science 20- Energy Exchange and the Biosphere

## Forest Education Fieldtrip

Fieldtrip to explore and identify biotic and abiotic components of terrestrial and/or aquatic ecosystems.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

## Grade 9-12

### **CTS Forestry, Wildlife and Environmental Stewardship**

Classroom and fieldtrip  
presentations tailored to  
specific modules by request.

For more information or to  
book a program contact MJ:  
Phone: 780-849-8627  
Email: [mj@lsfes.org](mailto:mj@lsfes.org)  
Website: [www.lsfes.org](http://www.lsfes.org)

# Grade 9-12 Careers in Forestry

## Classroom Presentation and Other Resources

1. Classroom presentation on various forestry careers
2. A DVD called “The Boreal Forest is where I want to be”- this 10 minute show focuses on 6 different careers in the boreal forest.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Special Presentations

## 4 FireSmart Presentations

1. G 1 – 3 FireSmart Jr. Officer
2. G 4 – 6 FireSmart Jr. Ecologist
3. Jr./Sr. High – Wildfire Manager
4. Interactive FireSmart Displays for Community Events

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Special Presentations

## Winter Ecology Hikes

Discover how trees, plants and wildlife adapt to our cold winters.

For more information or to  
book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Special Presentations

## Other Special Events

Call us and we can assist you with other special requests such as:

- Career Fairs
- Science Fairs
- Trade Fairs
- Etc.

For more information or to book a program contact MJ:

Phone: 780-849-8627

Email: [mj@lsfes.org](mailto:mj@lsfes.org)

Website: [www.lsfes.org](http://www.lsfes.org)

# Special Presentations

We can also create **Unique Programs** that are specifically designed for your classroom or community group. Please contact us for more information about this or any of our programs.

Thank you!

MJ Munn-Kristoff, Executive Director  
Lesser Slave Forest Education Society
