

### Wetlands Poster activity

The wetlands poster shows two different types of wetlands and the types of activities that take place in each. Take a look at the poster to answer the following questions in complete sentences.

1. Which side of the poster is the bog and which side is the marsh?
2. What kinds of animals do you see in the bog?
3. Are there any humans in the poster? If so, what are they doing?
4. How many different types of birds can you find?
5. What types of things are the birds doing in the wetlands?
6. Which wetland type has trees in it?
7. Which wetland type consists mostly of open water?
